SCHAFER ENTERS DUTIES AS CHIEF

Placed in Charge of Police Department of City by Mayor Johnson.

T. J. Schaffer, whose appointment as chief of police of East Moline was forecasted in yesterday's issue of The Argus, today formally assumed charge of the department. Under direction from Dr. G. P. Johnson, mayor, he succeeded Louis Hornbeck, Sr., who was dismissed yesterday by Dr. Johnson immediately upon assuming control of the city government. Pending the formal appointment of Chief Schaffer the department was placed in charge of Assistant Chief Charles Rhodes.

Appointments of the new mayor are to go before the city council next Monday evening for confirmation. There is said to be some opposition to Mr. Schaffer as police chief, but indications today were that he would be confirmed. Dr. Johnson estimated that such opposition as there is to his selection for chief of police would not serve to prevent Chief Schaffer from taking office.

As yet the expected shakeup of the fire department has not been announced, but action is expected tomorrow. There are no conjectures as to the mayor's slate for the department, except that George Sargent, at present motorcycle patrolman, will be transferred to the fire department and assigned to duty as driver of a fire truck. There are reports that Chief Mahoney, fireman, may be transferred to the police department as motorcycle patrolman, but this is not verified.

OPERETTA BULBUL IS LAST SCHOOL EFFORT

The operetta "Bulbul" which is to be presented by the music department of the Moline high school, Saturday, May 5, in the high school auditorium, has been working into shape rapidly, as the cast is showing remarkable aptitude to the coaching of Miss Elizabeth Peterson. Mrs. L. B. Canterbury, who is directing the dramatic end of the production, also reports "Bulbul" progress. An orchestra is principally being sung, although there is enough of the other dramatic work to balance the production in that way. It is hoped that a large audience will attend the management, but it is certain sales on Saturday night at 8:15, as the money so obtained will be used to purchase some piece of apparatus or furniture for the school's music department. Last year the money secured in this way was used to buy a piano, and something equally as useful will be purchased this year.

A silver cup will be awarded to the winning team. In the past it has been necessary for a team to win twice in succession to gain the cup, but hereafter a cup will be awarded for winning one meet.
